**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am all about supporting local businesses and my Internet provider, Sonic, is the only local provider left. My service from Sonic has been wonderful. Ive had no issues in the last 5 years, whereas I had nothing but constant issues with Comcast.

Having only Comcast and AT&T as Internet provider choices is absolutely unacceptable. We need to have more options. Competition is healthy for producing the best possible services.

Please work at allowing continued broadband competition instead of limiting services.
